

Senior Regulatory Manager (f/m/d)

delfort

TRAUN - ÖSTERREICH

delfortgroup AG / Fabrikstraße 3 / 4050 Traun / Verena Prandstötter

Ihre Aufgaben

- Ensure regulatory compliance of the global delfort product portfolio.
- Monitor and assess regulatory developments (e.g. PPWR, REACH, CLP, food contact materials, sustainability regulations) and translate them into business actions.
- Develop and maintain group-wide regulatory policies, processes, and standards.
- Lead and coordinate the international network of Regulatory Affairs experts across business units and locations.
- Act as contact for authorities, certification bodies, customers, and industry associations.
- Support product development, portfolio management, and market access from a regulatory perspective.
- Drive compliance initiatives across the supply chain.
- Advise management on regulatory risks, opportunities, and strategic implications.

Your skills

- University degree in a scientific, technical, or regulatory-related field.
- Several years of experience in Regulatory Affairs, Product Compliance, or a related function.
- Strong knowledge of relevant EU and international regulations.
- Experience working in an international industrial environment.
- Excellent communication and stakeholder management skills.
- Strategic mindset combined with a hands-on approach.
- Fluent in English and German

Our offer

- A key global position with high visibility and strategic impact.
- The opportunity to shape and establish Regulatory Affairs across the delfortgroup.
- Close collaboration with international business leaders and senior management.
- A dynamic and international working environment.
- Attractive development opportunities and a competitive compensation package.
- Gross monthly minimum salary of €4.240,64, overpayment possible depending on experience and qualification

We have exciting plans for our future and offer fascinating areas of responsibility at an international successful group of companies.

If you are willing to be actively involved in the further development of delfort, we are looking forward to receive your complete application documents:
