# thinhighlight cream

thinhighlight cream is a wood-free uncoated thinprint paper with a special surface treatment to enable safe text highlighting without bleed through. This unique property and its excellent opacity in a very appealing ivory shade make it the first choice for legal literature, high end publications and religious literature. thinhighlight is suitable for 1 or 2 color printing in heatset web-offset and coldset as well as sheet-fed printing.

## applications

- legal literature
- high end publications
