food service

delfort

excellent packaging solutions
for foodservice products

Our specialty papers come with a moisture, oil and grease-resistant barrier.

They are produced using fibers sourced from FSC™ and/or PEFC certified suppliers.

Designed to protect foods such as hamburger, wraps, pastry and french fries - keeping them fresh and tasty.

thinwrap™ plus

thinwrap™ fit

thinwrap™ pro

thinbarrier® fit

thinwrap™

fibrestraw®, fibrestraw® wrap, thinseal straw

thinwrap™, thinwrap™ plus, thinwrap™ fit, and thinwrap™ pro are also available in natural color.

benefits
