

Bachelor- or Masterthesis (w/m/d)

delfort

creative collaboration

TRAUN - AUSTRIA - INTERNSHIP/THESIS

We are the world's leading company in functional papers. Push yourself to the next level with our philosophy of creative collaboration. Join our global family and be part of our next chapter.

Your tasks

- Together with our internal contact person you will define a concrete project for your thesis
- You will be integrated in the processes and workflows at the site and analyze the specific topic for your thesis

Your experience

- Student of process engineering in the field of paper or packaging
- Interest in special papers, cigarette papers, thinprint papers and release base papers
- Interest in starting a career in one of our sites after finishing your bachelor- or master thesis
- Very good English skills, any other language is an advantage

Your benefits

- A challenging task in a highly motivated team
- Attractive perspectives for your future in an international group
- Support from experienced colleagues in their professional area
- Payment will be defined according to the amount and topic of the thesis

We have exciting plans for our future and offer fascinating areas of responsibility at an international successful group of companies. If you are willing to be actively involved in the further development of delfort, we are looking forward to receive your complete application documents.
