

Manager Corporate Technology (f/m/d)

delfort

creative collaboration

TRAUN - AUSTRIA - FULL-TIME

We are the world's leading company in functional papers. Push yourself to the next level with our philosophy of creative collaboration. Join our global family and be part of our next chapter.

Your tasks

- Develop and realize identified improvement projects at our sites and following up effectiveness of actions
- Leading troubleshooting or special topics
- Ensure the usage of online cockpits, big data analysis and simulation tools (e.g. Wedge; Flowmac)
- Support important capex investments during design, executing and commissioning phase
- Support project and claim management process
- Scout for suitable usage of state-of-the-art technology in paper making
- Lead and stimulate debate in technology-circles improving appropriate platforms
- Initiate external research studies/projects with entrepreneurial mindset
- Conducting trainings to increase and share process know how.

Your experience

- Technical degree and at least 7-10 years of experience in the process industry preferably paper production
- Practical experience in moderation and presentation as well as a structured way of working
- Good communication skill with all levels of organization and ability to inspire and convince managers for change
- High readiness to travel (about 60 – 70 %)
- Very good command of English language.

Your benefits

- A diversified job with a high degree of personal responsibility as well as opportunities for personal growth in an international company.
- Minimum salary of € 3.267,53 gross per month, with readiness for extra payment, depending on qualifications and experience.
- Flexible working hours, a performance-related bonus, various attractive social benefits as well as training opportunities and further education are also part of the package.

We have exciting plans for our future and offer fascinating areas of responsibility at an international successful group of companies. If you are willing to be actively involved in the further development of delfort, we are looking forward to receive your complete application documents.
